**Regarding: Changes in Pension Payment Administration
Osprey Pension Plan, Reg. No. 1077023 (the Osprey Plan)
Canwest Publications Inc Retirement Plan, Reg. No. 1077049 (the CPI Plan)**

We are writing to advise you of certain changes that will be made in the way in which your pension payments will be processed.

You have been receiving payment in respect of pension benefits accrued by you prior to February 14, 2003 from the CPI Plan and a separate payment in respect of benefits accrued by you on and after February 14, 2003 from the Osprey Plan. The regulator has approved the pension asset and liability transfer from the CPI Plan to the Osprey Plan and that transfer will occur in the immediate future. Thus, effective, April 1, 2010, benefits previously payable from the CPI Plan and the Osprey Plan will be combined and paid out to you from the Osprey Plan only.

Once the transfer is completed, Canwest will no longer have responsibility for your benefits previously paid from the CPI Plan. As a result, going forward, any questions you have relating to your benefits accrued prior to February 14, 2003 should now be forwarded directly to:
