The Employer agrees to provide employees with the opportunity to become proficient on all such new equipment, machinery and processes.

2:01 - Priority is defined as length of service in the bargaining unit and shall be applied on a bargaining unit-wide basis. This provision applies individually to the three (3) bargaining units recognized in Section 1:00 of this Agreement and does not extend from one bargaining unit to another.

3:00 - A New Process and Retraining Committee composed of two (2) Employer representatives and two (2) Union members will meet as necessary (three (3) meetings per year will be the minimum) to address the training of employees covered by this Agreement.

Employees who are sent away for such training shall guarantee service with the Employer for a period of time which shall be mutually agreed upon by the Employer and the Union. Employees who are trained on new processes may be required to instruct other members in new processes. No employee will be deemed incompetent as contemplated in Section 14:00 without having had the opportunity to receive reasonable training and/or retraining provided by the Employer.

4:00 -The Employer agrees to respect and observe the conditions prescribed by the constitution, bylaws and scale of prices of the Union not in conflict with this Agreement and the General Laws of CWA/SCA CANADA in effect at time of signing this agreement, copies of which are hereunto attached.

4:01 -The Employer agrees to allow the Unit Steward(s) freedom to perform all functions of his/her office within his/her Bargaining Unit with the permission of his/her Immediate Supervisor provided that in the opinion of his/her Immediate Supervisor this shall at no time interfere with the production, delay production or distribution of the Employer's product. All Chapel (bargaining unit) meetings shall be held outside of working hours.

4:02 The Employer agrees to deduct an amount equal to the Union dues and general assessments as required by the Union from each employee in the bargaining units who has completed his/her probationary period. The Employer shall notify the Union when a new employee is completing his/her probationary period.

4:03 (A) - Dues deductions shall be forwarded to the Secretary Treasurer of the Union on or before the fifteenth of the month following the month in which the deductions were made.

(B) - In consideration of the deducting and forwarding of Union dues by the Employer, the Union agrees to indemnify and save harmless the Employer against any claims or liabilities arising out of or resulting from the operation of this Section.

2. Date of hiring
3. Classification
4. Starting hourly rate until full scale is attained

5:00 All new employees covered by this Agreement shall be required to become members of the Union on the ninety-first (91st) day of employment and shall maintain membership in the Union during the term of this Agreement as a condition of employment. Any employee who at the signing of this Agreement is a member of the Union or who thereafter becomes a member of the Union, such employee shall remain a member for the term of this Agreement. It is agreed by both parties that Boxing Day is a recognized publishing day and is acknowledged under the following provision: Boxing Day shall be paid double time for hours worked, when required by the Employer, plus a full day's pay for those employees scheduled to work. It is understood that four (4) hours will be the minimum required hours.

(Example: An employee's starting date is May 31st. He/she will be eligible to observe his/her Anniversary and the Birthday, occurring on or after May 31st of the following year.)

Such days off will be taken on the actual date. If an employee's Birthday or Anniversary falls on a recognized holiday as set forth in 9:01 (A) herein, on his/her days(s) off, or during his/her vacation period, such days off will be taken on that employee's regular working day next following.

(B) In the event that such an employee is required by the employer to work on either of his/her Birthday or Anniversary, he/she shall be paid at time and one-half for hours worked on that day. It is understood that four (4) hours will be the minimum required hours.

9:04 - The Employer agrees that members of the Union Negotiating Committee, to a maximum of two (2) employees, will not suffer any loss of pay because of his/her participation in negotiating an agreement with said Employer up to the point of conciliation. It is agreed that both parties will make every effort to arrange meetings so as not to impede the normal production of the newspaper.

10:00 No employee covered by this Agreement shall be required or permitted to hold a situation of more than five shifts in one financial week. When any employee is required to work on a regular off day or off night, or sixth of seventh shift in any financial week, he/she shall be paid the overtime rate for such work.

11:00 - Recognized coffee breaks and lunch periods shall be taken at the same time every day according to priority claiming. The Manager or Supervisor may change coffee breaks and lunch periods to meet office staffing requirements. District Sales Representatives will not be governed by this section.

11:01 A lunch period of at least thirty (30) minutes and not more than one hour shall be allowed for each full time shift, such time not to be included in the number of hours specified for a day's work. A paid coffee break of 15 minutes shall be allowed during each one-half (1/2) shift.

12:00 - No full time employee shall be employed for less than a full shift except when suspended, discharged for cause, or is excused at his/her own request.

13:00 - Employees called back after having completed their scheduled shift and after having left the office shall be paid \$6.00 for such call-back and overtime rates for all time worked. A minimum of one hour work shall be allowed except if excused at own request.

14:00 - The Employer shall not discipline or discharge any employee without just cause. The immediate supervisor may discharge for incompetency, for neglect of duty, or for violation of office rules, which shall be kept conspicuously posted. A discharged employee shall have the right to grieve his/her discharge in accordance with Section 31:00. Upon request, the immediate supervisor shall give the reason for discharge in writing. A request for the written reason(s) for discharge shall be made within seventy-two (72) hours after the employee is informed of his/her discharge.

Progressive discipline shall generally be applied by the Employer, except the Employer need not follow progressive discipline before discharge if the discharge is for theft, deliberate damage to the Company property, gross insubordination or physical violence.

In applying progressive discipline, written warnings must be given (within five (5) days of the incident) to the employee or sent to the employee's last known address, as well as to the Union President and to the appropriate unit steward.

Progressive discipline shall involve an oral warning for a first offence, and a written warning for a second offence. Should the Employer feel it necessary that further disciplinary action is required prior to discharge, the Union agrees to discuss the course

of action. Warnings as herein provided shall be null and void after one (1) year, and shall not be used as a basis for further disciplinary action. The procedures outlined above are subject to the terms of the grievance procedure. (Section 31:00).

It is agreed that work absences totalling two (2) months or more shall not be included in the one (1) year period previously mentioned.

14:01 DISCRIMINATION - Both parties agree to observe and abide by the terms of the Ontario Human Rights Code and the Ontario Labour Relations Act and the regulations pertaining thereto with respect to the application of this Agreement and with respect to the practice of discrimination.

15:00 - Within each bargaining unit:

When the employer decreases the complement in a job classification as described in Section 8:00, such decrease shall be accomplished by laying off the person with the least priority in the job classification in question, provided those remaining are competent to perform (with a 4 week training period if necessary) the work available.

A person to be laid off may bump, firstly, the employee with the least priority in another job classification which pays the same wage scale, or secondly, the employee with the least priority in the next lower rated job classification. A bump will occur provided the person has more priority than the employee to be bumped and provided the person is competent to perform (with a 4 week training period if necessary) the work of the job classification into which he/she is bumping. The employee being bumped will then be laid off, or at his/her option move to the top priority spot of their respective bargaining unit's temporary board.

When the employer increases the complement in a job classification as described in Section 8:00, persons laid off from that specific job classification shall be recalled in reverse order in which they were laid off from that specific job classification regardless of whether the person(s) are on layoff or on the temporary board. The period of recall rights shall be limited to twelve (12) months.

A person who is on the recall list and who is recalled prior to the end of the period for which he/she received severance pay, shall refund the unexpired portion of the severance pay upon his/her recall.

15:01 - Leave of absence without pay shall be granted to attend meetings, courses or conventions for Union Members provided that:

- 1) such leave will not total more than 20 working days per calendar year for total bargaining units.
- 2) no more than two bargaining unit members shall be granted leave at any one time. No more than 1 per unit.
- 3) the Union shall notify the Employer at the first opportunity and at least one (1) week prior to such leave taking place for Union Officers only (including Special Standing Committee) - up to a maximum of two (2) members.

4) the Union shall notify the Employer at the first opportunity and at least two (2) weeks prior to such leave taking place for members outside the Executive.

15:02 - After completion of one (1) full year of permanent employment, leave of absence of up to **four (4) days** per calendar year non-accumulative without pay for an employee shall be granted where competent replacement personnel are available if required. Such leave shall be arranged by mutual agreement between the Employee and employer.

15:03 - Within each bargaining unit:

(A) temporary employees shall be scheduled or called in for shifts of not less than four (4) hours nor more than seven and one half (7 1/2) hours. However, such employees may be retained on that shift for as many hours as required by the Employer;

(B) a temporary employee shall not be employed if his/her employment would eliminate, displace or prevent the hiring of a regular full-time employee;

(C) a temporary employee shall be employed for up to four (4) weeks as an instruction period prior to assuming the duties of a full-time employee either as an extra employee for peak periods or to replace an *absent full-time employee;

(D) the total accumulative hours of all temporary employees shall not exceed fifty (50) hours per financial week, except when replacing *absent full-time employees and during instruction periods, when the hours worked by such employees shall not count in the above mentioned hours limitation.

*Note: For the purpose of these sub-sections, the term “absent” does not include day(s) off, LTD, or persons on layoff.

15:04 - Within each bargaining unit, summer students may be employed during the recognized school vacation period of April 15th to Labour Day, provided that there is no employee in that unit on lay off who has recall rights as outlined in section 15:00 and who is competent to perform the work.

15:05 Sub-contractors and temporary employees shall not be employed to work normally or appropriately performed by regular full-time employees at the date of this contract where, in effect, such employment or continued employment would cause the layoff of regular or full-time employees.

15:06 - New employees shall not be hired where there are employees on lay-off who have recall rights and who are competent to perform the work.

16:00 - Any member who has been discharged and believes the discharge unjustified, shall have the right to appeal under Sections 31 and 32 of this agreement.

16:01 Employees shall be notified in writing of the grounds for discipline or discharge. The Union shall receive a copy. In subsequent grievance procedures, including arbitration, the Employer shall be limited to such grounds.

17:00 SANITARY REGULATIONS - The Employer agrees to furnish a clean, healthful, sufficiently ventilated, properly heated and lighted place for performance of all work. All machines or apparatus from which dust, gases or other impurities are produced or generated shall be equipped in such manner as to protect the health of the employees.

18:00 A Joint Health and Safety Committee, composed of two Company representatives and two Union representatives will meet as necessary - three times yearly being the minimum - to discuss the health and safety of Bargaining Unit members. The Committee will use the Ontario Health and Safety Act as a guideline towards a common format to govern its activities. It is agreed that meetings, because of work commitments, may be scheduled outside of the recognized working hours of the employees involved.

19:00 – Employees will take vacation in the year they earn it with the understanding that if an employee leaves the Company for any reason, other than involuntary layoff, and has not earned all the vacation time they have taken, the Company will deduct such amounts from any outstanding monies. If the amount to be reimbursed is greater than the outstanding monies, the employee shall agree to reimburse the employer with terms that are mutually acceptable.

The company proposes that employees have 2 years to use up their accrued time.

The vacation entitlement is now capped at 6 weeks for all new hires hired after date of ratification. For clarity, new hires will no longer be eligible for 7 weeks of vacation.

All regular employees will be entitled to one week's vacation after six (6) months; two week's vacation after one (1) year, either/or, not both; three week's vacation after two (2) years; four weeks vacation after nine (9) years; five weeks vacation after eighteen (18) years; six weeks vacation after twenty-seven (27) years. All vacations are with pay.

19:01 Where an employee qualifies for bereavement leave during his/her period of vacation, there shall be no deduction from vacation credits for such absence. The bereavement so displaced shall be added to the vacation period as per Section 28:00.

19:02 No employee shall be allowed to forego vacation in any one calendar year for the purpose of adding to the length of a vacation in any succeeding year, or to accept the extra money instead of vacations. Vacation must be taken in units of weeks, Monday to Saturday.

19:03 -

(a) May 15 to September 30 of each year shall be considered a prime time and during this time vacations shall be given on a priority basis within each bargaining unit. No employee shall be allowed more than two consecutive weeks during this period until everyone has had the opportunity to book two consecutive weeks. If there are no conflicts, there shall be no limits on the number of consecutive weeks that can be taken by an employee.

(b) The number of employees to be absent at any one time shall be determined by the Employer and this shall appear on the vacation selection list which shall be provided to the Unit Steward no later than December 1 of the preceding vacation year. Vacation availability shall occur 52 weeks of the year.

(c) The vacation selection list will be distributed in each bargaining unit by the Unit Steward and will be given to the Supervisor by March 31st.

(d) Any vacation schedule changes after March 31 will be submitted to the unit steward and will be subject to the following:

- 1) When a vacant period occurs or is filled, only two (2) changes will be allowed for that particular vacant period
- 2) The Supervisor must be given thirty (30) days notice in writing for that particular vacant period.
- 3) Any vacation change request with less than thirty (30) days notice will only be allowed by agreement of the Supervisor.
- 4) The Supervisor will not arbitrarily close off a vacant period without first discussing it with the Unit Steward.

(e) The Supervisor will not arbitrarily cancel an Employee's scheduled vacation without first discussing it with the Unit Steward.

20:00 Vacation period will be between January and December. The vacation list will start on the first Monday of each year and it is agreed there will be 52 units of Monday to Saturday which will represent the vacation schedule that will apply to that year.

21:00- Competent employees may claim new shifts, new situations, vacant situations and new starting times in accordance with their priority standing.

21:01 - Employees in each Bargaining Unit may claim day(s) off and have choice of vacation schedule in accordance with their priority standing within the classification of the bargaining unit.

21:02 - Within each Bargaining Unit, the Supervisor may make such temporary transfers from one class of work to another as may be necessary to meet business requirements. A member may not be transferred to work with which he/she is not familiar and from it be discharged for incompetency. Such transfers will not occur from one Bargaining Unit to another unless mutually agreed upon by the Union and the Employer.

21:03 - One week's notice shall be given the employees for a change of shift or starting time except in the case of sickness, accident or mechanical failure that would hinder and/or impede production and/or distribution of the Publisher's product. It is understood that this section does not apply to productivity days or days in lieu.

21:04 - Member or members of each Unit will select day(s) off by priority. Available day(s) off or newly created day(s) off will be posted by the Employer, for no less than three calendar days. The situation holder applying with the most priority in the Unit will be awarded the posted day(s) off. No member will be allowed to switch their day(s) off.

22:00 (A) - When a vacancy occurs or a new situation is created within a bargaining unit, the Employer shall post notice of the situation for a minimum of three (3) publishing days prior to advertising outside, except that the posting shall be reduced to one (1) publishing day when an employee fails to give two (2) week's written notice of his/her resignation.

(B) The successful candidate must meet the basic qualifications set by the employer for the vacancy or new situation.

Applicants who are within the bargaining unit where the vacancy or new situation occurs will be given first consideration in priority order.

Applicants who are within the other bargaining units will be given the next consideration in priority order. A successful applicant will be given reasonable assistance and a period of familiarization upon being transferred to the new job.

Nothing in this section precludes the employer from appointing applicants from sources outside the bargaining units when bargaining unit employees do not apply or are not accepted.

23:00 - When the Employer decides to withdraw or postpone the filling of a vacant situation, the Union shall be notified in writing. Postponement in excess of six (6) months will require re-posting before being filled.

24:00 - In the event of consolidation or permanent suspension of publication, or when an employee is laid off to reduce the force, all such employees shall receive two weeks' pay at the regular rate for each year's continuous service up to fifty-two (52) weeks pay.

Should an employee and the company come to an agreement on a voluntary resignation, severance pay shall be paid on a salary continuance basis. If employees find alternative employment during the severance period their salary continuance will cease and they will receive a lump sum payment which would constitute 50% of the remaining amount

25:00 - The permanent "Job Security Agreement" entered into between the parties on the 1st day of April, 1976, attached hereto as Schedule "A," is incorporated as part of this Agreement. Breach of any provision of the said Job Security Agreement shall be deemed to be a violation of this Agreement and is subject to the grievance and arbitration process herein.

It is understood that the "Job Security Agreement", attached hereto as Schedule "A," will not be in force subsequent to December 31, 2011 for Ian Baxter and Robert Bauer; and will not be in force subsequent to December 31, 2013 for John Cowling, Jr.

It is further understood that should any part of this "Job Security Agreement" be challenged by Messrs. Baxter, Bauer, and Cowling or by anyone now in receipt of the benefits of the Job Security Agreement (Schedule "A") and is thereafter found to be unenforceable, then the entire "Job Security Agreement" would be deemed terminated

and of no force and effect for any of those individuals. The parties would then meet to attempt to negotiate a new arrangement.

25:01 - When the Company determines that a reduction in staff is required, it shall advise the Union and the affected employees of the effective date of such layoff. At the same time the company will post for volunteers. Volunteers will have 5 business days to come forward. If the company does not get the required volunteers to negate layoff, the layoff shall commence. It is understood the Company will approve volunteers at its sole discretion.

Any buy-out or early retirement proposed for a bargaining unit member or members will be negotiated through the St. Catharines Typographical Union or its elected representatives.

26:00 - The new FlexMedia benefit plan for all full-time employees of Sun Media will be applicable to all full-time employees covered by this collective agreement and these employees will participate in such plan.

Part-time employees will continue to be covered under the prior benefit program (as outlined in the collective agreement having an expiry date of March 31, 2009) if they so qualify.

If, during the term of this collective agreement, a new benefit plan is introduced for all part-time employees of Sun Media, then that plan will be applicable to all part-time employees covered by this collective agreement and these employees will participate in such plan.

It is understood that the Company reserves the right to request documentation that substantiates claims for casual illness or absenteeism, to its satisfaction.

27:00 - When an employee is injured on the job and is entitled to Workplace Safety and Insurance Board benefits he/she shall receive full wages less the amount paid by W.S.I.B. within the time limits and other sick time provisions agreed to in this Agreement. It is the intention of this Section to treat recognized W.S.I.B. time loss from the job as sick time and therefore subject to all sick time provisions in this Agreement. It is understood that the above outlined WSIB wage top-up will not exceed ten (10) days.

Payments under this plan will not result in an employee receiving in excess of his/her straight time pay, net of statutory deductions (exclusive of any private plan purchased by the employee).

27:01 - If the Employer brings forward evidence of abuse of the sick benefits provision, the Union agrees to meet with the Company to resolve the issue.

27:02 - The employer agrees to administer pregnancy and parental leave in accordance with the provisions of the Employment Standards Act.

27:03 - Employees shall be allowed five (5) hours for doctor and dental appointments during the year without loss of pay. Appointments may be taken in one-half hour minimum increments through prior arrangement with the Manager or Supervisor.

28:00 - When death occurs in the immediate family of an employee, if said employee attends the funeral he/she will incur no loss of pay for five (5) consecutive days from the date of death. The members of the immediate family include mother, father, wife, husband, children.

When death occurs in the family of an employee, if said employee attends the funeral he/she will incur no loss of pay for three (3) consecutive days from the date of death for father-in-law, mother-in-law, brother-in-law, sister-in-law, brother, sister, grandparents, grandchildren. If one or more regular non-work days occur during that three day period, the employee shall be entitled up to three (3) days absence from work with pay for the purpose of attending the funeral.

In the application of the above clause, when death occurs outside a 500 kilometre radius of St. Catharines, five (5) consecutive days will be granted. Any days that are not scheduled working days within the five (5) consecutive day period will not be paid. When the employee is drawing pay under this clause, the situation need not be filled except at the option of the manager or supervisor. The union President or his/her representative shall be allowed four (4) hours with pay to attend the funeral of an employee covered by this agreement.

Employees shall be allowed four (4) hours off with pay when serving as a pallbearer at a funeral not involving a bereavement covered in the paragraphs above. Twenty-four (24) hours notice must be given to the Manager or Supervisor for this time to be granted.

28:01 The Employer agrees to pay an employee who is required for jury duty or who is subpoenaed through no fault of his own for each day of service on his regular working days the difference between his regular straight time hourly rate for the number of hours he would otherwise work on such days and the payment he received for jury or subpoenaed service. The employee will present proof and the amount of pay, if any. When an employee is excused from service for one-half (1/2) day or more he must report for work on such day, but in no event shall he receive less than straight time pay.

No compensation for jury or subpoena duty is payable when an employee is off on vacation, sick leave or any other leave, on his day(s) off, on a statutory holiday or pursuant to an arbitration pursuant to this collective agreement.

Absences because of jury or subpoena duty need not be filled except at the option of the Manager or Department Supervisor.

30:01 - Pension credits will be continued by the Company on the basis of one year continued pension contributions for each year of continuous service by the employee prior to the employee receiving Long Term Disability Insurance or Workers' Compensation benefits. Effective June 1, 2006, the pension credit continuation will be up to a maximum of five (5) years.

30:02 - Contributions shall be made by cheque, money order or similar recognized medium of exchange and shall be made payable to the CWA/ITU Negotiated Pension Plan (Canada) and shall be forwarded to Funds Administrative Services Inc., 9th Floor, 9707 110th Street, Edmonton Alberta, T5K 3T4 (or to such other corporate trustees as may be designated by the Trustees of the Plan), no later than the 20th of the following calendar month for which contributions are due.
